Aging: 12 months in oak barrels of 300-500 litres

Alcohol: 13,5%

Bottling date: June 2023

Production: 26.000 bottles

Certified organic wine

This is our “village wine”, the base of the pyramid. It is a blend of syrah from our estate and bobal from old vineyards. The concept of village wine explains that all the vineyards come from the same local town and must reflect the wine identity of our village.

The clay soil gives more lightness to this wine, obtaining more fruit and a predominance of black and blue fruit, with floral touches. It is a wine with a lot of power, fleshy and robust.
